Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to 37 C.F.R. § 1.56, submitted herewith is an Official Communication issued in a corresponding Japanese Patent Application and a Form PTO-1449 which lists each of the references cited in the Official Communication. For the Examiner's convenience, we have enclosed an English translation of the Official Communication from the corresponding Japanese Patent Application. Applicants have had this translation prepared by a professional translation service and applicants presently have no reason to doubt that the translation is accurate. However, Applicants have not independently verified the accuracy of such translation, and accordingly, submission of the same should not be taken as a binding admission by Applicants that the translation is accurate.

Applicants do not provide a copy of the U.S. Reference as this is no longer a requirement of the U. S. Patent Office.
